

## **FOR IMMEDIATE RELEASE**

### **PSP Expands Northeast Presence with Acquisition of B&B Swimming Pool Service Chestnut Ridge, NY**

[Rivervale, NJ] – January 23, 2025 – Pool Service Partners (“PSP”) is delighted to announce the acquisition of **B&B Swimming Pool Service** (“B&B”), a leading pool service provider in Chestnut Ridge, NY. This strategic acquisition strengthens PSP’s position as the leader in the Northeast’s pool service industry and underscores its commitment to fostering growth and excellence in the sector.

For years, B&B Swimming Pool Service has earned the trust of residential and commercial clients by delivering exceptional pool maintenance, repair, and installation services. By joining the PSP network, B&B gains access to enhanced resources, state-of-the-art technology, and operational support that will allow the company to elevate its services while maintaining the same dedication to customer satisfaction that has been its hallmark.

“We are excited to welcome B&B to the PSP family,” said Greg Jacquin, CEO of PSP. “Their strong reputation for quality and customer-centric service makes them an ideal partner. Together, we look forward to driving innovation, efficiency, and growth in the pool service industry.”

“Joining PSP was an easy decision for us because of their unwavering commitment to preserving our company’s legacy while providing the tools to help us grow,” said Craig Bagin, one of B&B’s founders. “PSP’s dedication to fostering team development and their partnership approach reassured us that our employees and customers would be in excellent hands. We’re excited about the future and what we can achieve together as part of the PSP family.”

### **About Pool Service Partners**

Rooted in the Northeast, PSP operates pool service businesses across New York, Connecticut, New Jersey, Pennsylvania, and Delaware, with plans to expand into neighboring regions. With an acute understanding of the unique needs and challenges faced by pool service companies in this area, PSP continues to position itself as the ideal partner for businesses seeking growth or transition opportunities.

This acquisition marks PSP’s 12th acquisition, further solidifying its position as a trusted partner for pool service businesses. In 2025, PSP is on track to service over 6,000 pools, a testament to its robust operational capabilities and commitment to excellence.

### **Backed by Tamarix Equity Partners**

PSP operates as a portfolio company of Tamarix Equity Partners, a New York based private equity firm focused on lower middle-market businesses. With Tamarix’s backing, PSP continues to support its companies with unmatched capital investment, strategic expertise, and resources.
